## **News Release**

For Immediate Release: August 25, 2018

### **12 P.M., August 25, DOW Update:**

#### **Water conservation request continues for Haena-Wainiha residents**

LIHUE – The Department of Water (DOW) has lifted the island-wide water conservation notice to allow most customers to resume normal water use as of 12 p.m., today. However, residents located in Haena-Wainiha areas are asked to continue water conservation efforts until further notice; limiting water use to essential needs only, due to weather conditions and possible rising stream levels in the area. Additionally, the water service shutdown for customers located on a portion of Kuhio Highway in Haena; between the Manoa Stream and Ke'e Beach will remain in effect until further notice.

Officials will continue to monitor weather conditions in the area and will provide updates as soon as new information becomes available.

To view official DOW water service announcements and updates online, visit the County of Kauai's website at [www.kauai.gov/press-releases](http://www.kauai.gov/press-releases) or follow the Kauai Department of Water on Facebook at [www.facebook.com/KauaiDOW](https://www.facebook.com/KauaiDOW).

To sign up for BlackBoard Connect CTY notification service, visit [www.kauai.gov](http://www.kauai.gov) or call the Kauai Emergency Management Agency at 241-1800.
