For Immediate Release: August 28, 2018

Immediate water conservation notice issued for Wainiha residents

HAENA— The Department of Water (DOW) has issued an immediate water conservation notice for all Wainiha customers until further notice, in order to avoid a full water outage in the system. Customers may currently be experiencing low water pressure or no water service due to possible weather impacts to the Wainiha system. DOW crews are unable to access the area at this time due to the Kūhiʻō Highway closures.

Customers are asked to limit water use to essential uses only; such as drinking, cooking and sanitation purposes. Conservation measures include turning off irrigation systems, automatic ice makers, etc.

An update will be provided as soon as new information becomes available. To monitor updates online, visit www.facebook.com/KauaiDOW.

To sign up for BlackBoard Connect CTY notification service, visit www.kauai.gov or call the Kauai Emergency Management Agency at 241-1800.
