Immediate water conservation notice issued for Wainiha and Hā'ena customers

HAENA— The Department of Water (DOW) has issued an immediate water conservation notice for all Wainiha and Hā'ena customers until further notice, due to a recent electrical power outage that is affecting our water facilities and pump stations in the area. Customers are urged to limit water use to essential uses only; such as drinking, cooking and sanitation purposes, in order to avoid a full water service outage in the system.

An update will be provided as soon as new information becomes available. To monitor updates online, visit www.facebook.com/KauaiDOW.
