## **News Release**

For Immediate Release: September 6, 2018

### **Water conservation notice lifted for Wainiha and Hā'ena customers**

HAENA— The Department of Water (DOW) has lifted the water conservation notice for all Wainiha and Hā'ena customers as of approximately 6 p.m., this evening. Power has been restored to the pump stations and water tank levels have been stabilized. Customers may now resume normal water use.
