

This is a courtesy notification of construction activity that will be occurring in the Kalaheo area.

As part of the Department of Water's Water Plan 2020, our contractor, Kaiwa Construction Inc. will begin construction work on Halewili Road and Kaumualii Highway, in Kalaheo. Work will include replacing aging waterlines and installing appurtenances including connections to existing waterlines, new valves, a new fire hydrant, and other restoration and repaving work.

Work will begin in mid-January 2016 with anticipated completion in October 2016. Please be aware of all construction equipment and vehicles that will be in the area for the duration of the project. A detailed map can be found below.

We apologize in advance for any inconvenience and extend our appreciation for your patience and cooperation. Property owners, please notify occupants of this situation.

For general questions, please contact Kim Tamaoka at (808) 245-5455 or Jonell Kaohelaulii at (808) 245-5461.

For other questions or project concerns, please contact Dustin Moises at (808) 245-5459.

Mahalo!
