DOW office to close on Thursday and Friday Customers advised to sign up for BlackBoard Connect CTY

LIHUE –The Department of Water (DOW) offices will be closed on Thursday, Aug. 23 and Friday, Aug. 24 due to expected severe weather conditions.

Customers should prepare and store drinking water for their needs in the event water systems and services become unavailable. All emergency preparedness kits should include at least one gallon of water per person, per day for at least 14 days for drinking and sanitation purposes. For more information on water emergency preparedness guidelines, visit www.kauaiwater.org.

DOW urges all customers and residents to sign up for the County's BlackBoard Connect CTY notification service to be notified of weather emergency updates and any impacts on Kauai's water service supply. To sign up for this service, visit the County of Kauai website, www.kauai.gov or call the Kauai Emergency Management Agency at 241-1800.
