RE: WAIVER AND RELEASE AGREEMENT FOR AN INDIVIDUAL CPR UNIT – RECORDATION INSTRUCTIONS

NOTE: THIS AGREEMENT IS SUBJECT TO THE DEPARTMENT OF WATER'S APPROVAL; IF THE DOCUMENT IS NOT DONE CORRECTLY, THE AGREEMENT MAY BE REJECTED AND RETURNED TO THE APPLICANT FOR THE NECESSARY CORRECTIONS.

The applicant is made aware that this Waiver and Release Agreement for an Individual CPR Unit may not be required if either of the two following criteria/conditions are met:

- a. The Department has records of a completed Waiver and Release Agreement for the specified location and project being proposed. The project description must match exactly (i.e. a Waiver and Release Agreement previously done only for sheds will not be acceptable for a dwelling unit).
- b. A copy of the current deed to the lot is submitted to the Department. *The deed must clearly specify that County (Department of Water) water service is not available to the lot or similar wording, as approved by the Department.* If there are any discrepancies in acceptable wording, a Waiver and Release Agreement (current form) will be required to be completed by the current owners of the lot.

Examples of adequate wording include the following: *"Domestic water service to this lot is not available from the Department of Water, County of Kaua'i"* and *"Non-Availability of domestic water service from the Department of Water, County of Kaua'i."*

If the deed only specifies that the applicant must complete a Waiver and Release Agreement with the Department of Water, then the applicant will be required to complete the Agreement.

If the deed refers to a recorded Waiver and Release document, the recorded documents wording must be verified by the Department of Water to include the project being applied for by the applicant. It shall be the applicant's responsibility to provide a copy of any referenced document if the Department requires it.
