

This is information that was mailed out via Postcard to affected residents:

This is a courtesy notification of construction activity that will be occurring in your area.

As part of the Department of Water's Water Plan 2020, our contractor, Goodfellow Bros., Inc. will be replacing aging waterlines and other waterline accessories including valves, hydrants, service laterals and connections in your area.

Customers along Mokoi, Makau, and Luina Streets will be affected beginning December 2011 with anticipated completion in April 2012. Customers on Kapena Street from the Upena Street Junction and those on Upena Street will be affected February 2012 with anticipated completion in April 2012. Please be aware of all construction equipment and vehicles that will be in the area for the duration of the project. A detailed map can be found on our website at www.kauaiwater.org.

We apologize in advance for any inconvenience and extend our appreciation for your patience and cooperation. Property Owners, please notify occupants of this situation.

General questions - call Joy Buccat at 808-245-5455 or Faith Shiramizu at 245-5461.
Project construction concerns – call Dustin Moises at 808-245-5459.
